

# SP5-Yellow-Dynamic Grocery List

## User Guide

CS 4850-02  
 Spring 2023  
 Professor Perry  
 02/10/2023

Below is a UML Diagram which describes the high-level operations of the CartShare app. It should be noted that this diagram is for illustrative purposes only, and it lacks a breadth of implementation details, user experience qualities, and privacy protections. However, through this document you may view the structure of the app's components, the interactions between its elements, and the general idea behind our implementations.
